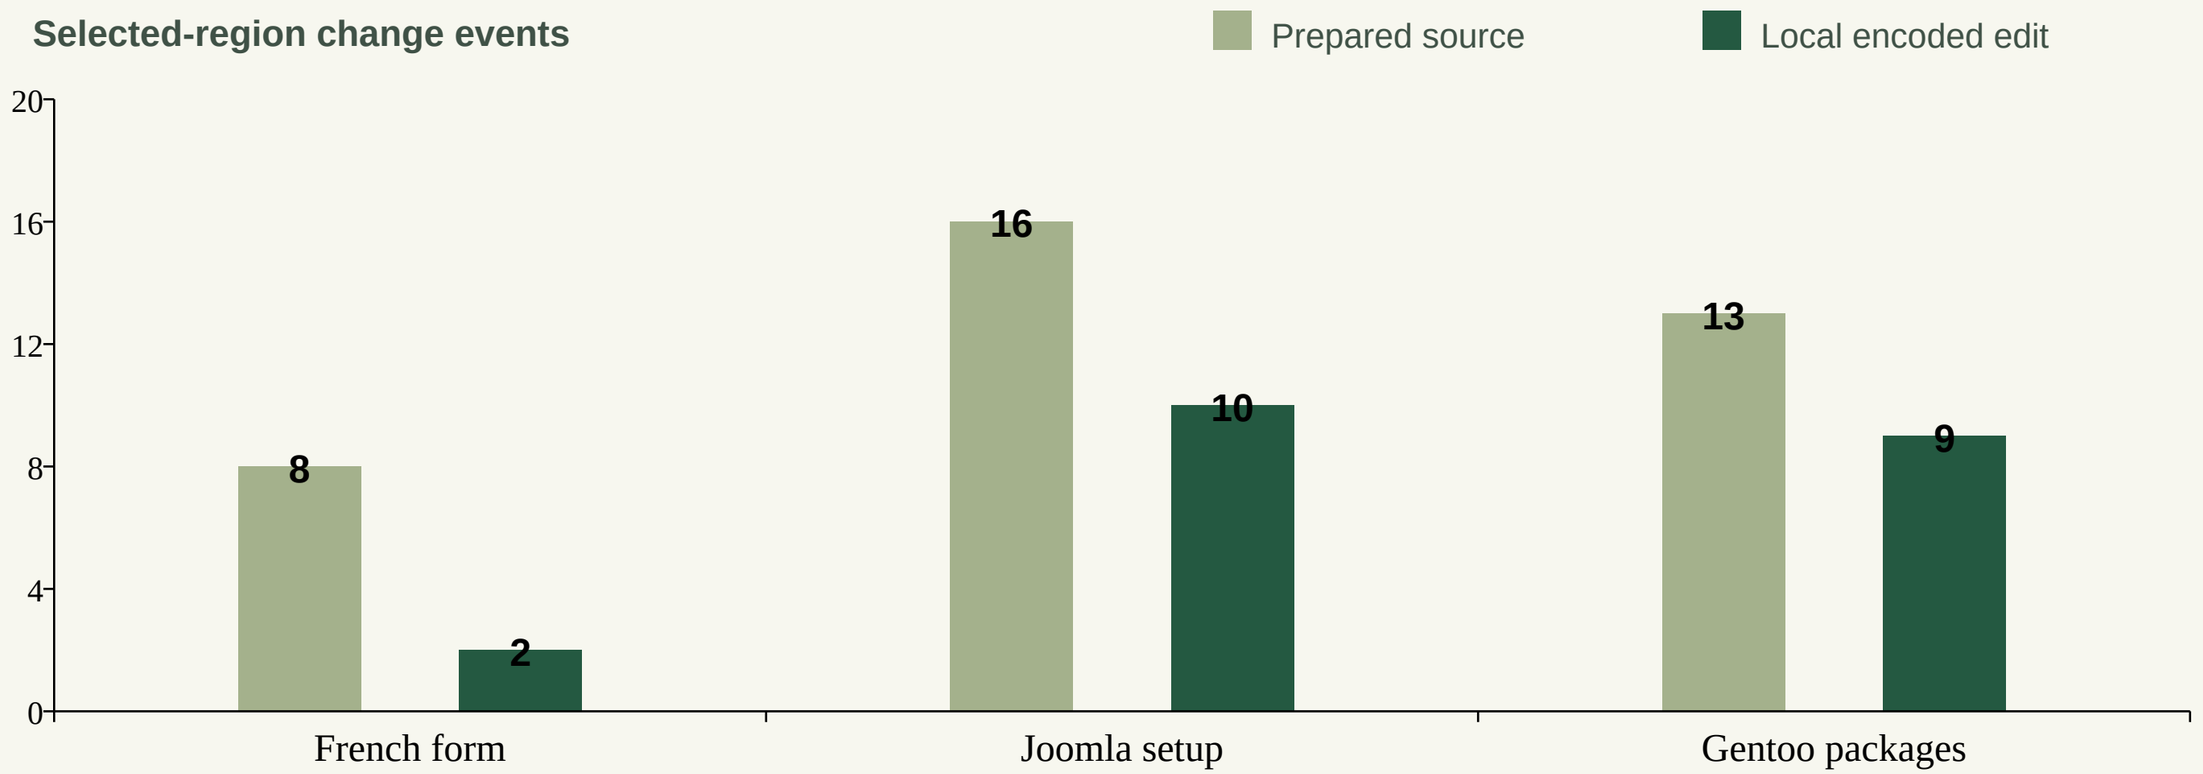
FRAME REVIEW / KEEP THE LESSON

37 to 21 measured changes

Three selected real lesson excerpts / 36 seconds total



Every declared teaching region stays exact on its prepared timeline.

Prepared audio/timing retained; encoded entry/return checks pass.

Counts: adjacent ROI-mean RGB steps >=8 codes in each 12-second excerpt, including cut points.

Selected regressions. Expanded 70-window screen: 0 new qualified repairs. Human benefit unmeasured.
